

# AIN'T NO GRAVE

(traditional0 DADGAD)

Well there ain't no grave Gonna hold my body down

Well there ain't no grave Gonna hold my body down

When I hear that trumpet sound Gonna get up out' the ground

Cause there ain't no grave Gonna hold my body down

Go down yonder Gabriel put your foot on the land and sea

But don't you blow your trumpet until you hear from me

I looked way over yonder and what do you think I see?

I see a band of angels and they're coming after me

**Chorus**

Then I looked way down the river saw the people dressed in white

I knew it was God's people 'cause I saw them doing right

Going down to the river jordan

Gonna bury my knees in the sand

and holler "ah, Hosanna" till I reach the promised land

**Chorus**

Then I looked way over yonder and what do you think I see?

I see a band of angels and they're coming after me

So meet me king Jesus, wont' you meet me in the air

If these wings should carry me, I won't need another pair

**Chorus x 2**

So meet me king Jesus...**Chorus x 2**

# HAND IN HAND (Used by permission)

Yeah, brothers to the left, brothers to the right  
No one left in between  
And if you look too far ahead or look too far behind  
The heart, it goes sight unseen

Well, he'd like to but he can't, she looks the other way  
Who that leave to face the heat?  
The homeless need a home, crippled need a hand  
Hungry need something to eat

If we can learn to live in Him  
Every woman, every man  
We can become hand in hand (yes we can)

Well, I'm lucky for ny job, I love to live my life  
I thank the Lord for my health  
And I'm not pointing fingers, not at anyone  
I'm sittin' here with myself

If we can learn to live in Him  
Every woman, every man  
We can become hand in hand (yes we can)

Brothers to the left, brothers to the right  
No one left in between  
And if you look too far ahead or look too far behind  
The heart, it goes sight unseen (sight unseen)

If we can learn to live in Him  
Every woman, every man  
We can become hand in hand (say it again, say it again)

If we can learn to live in Him  
Every woman, every man  
We can become hand in hand and we can all be born again...

Verse 1:

I have a word for you, a plan to change your life  
I know what you could do If you would take some time

Chorus:

Take some time to listen, to what I have for you  
Be still and listen, when my Spirit's leading you

Verse 2:

I've made a place for you and numbered all your days  
I've watched you grow into a mirror of my ways  
And all the plans I've made, the steps that I've laid out  
Are here for your discovery, just leave behind your doubts

Chorus:

If you would only listen, to what I have for you  
Be still and listen, when my Spirit's leading you  
Don't let this be a one way prayer, I want to talk with you...  
If you would only listen and know that I am here  
Just stop and listen... and know that I am God

Take some time to listen, to what I have for you  
Be still and listen, when my Spirit's leading you  
Don't let this be a one way prayer, I want to talk with you...  
If you would only listen and know that I am here  
Just stop and listen... and know that I am God

# Blood Of The Lamb ©CBohrman

I've got this holy fire, Burnin' in Me  
I want to tell everybody what Jesus did for me  
He took me out of bondage, He set me free  
He took me out of the darkness and shined his light on me

I had this empty feeling, inside of me  
I searched in every corner 'til Jesus came to me  
He gave me sweet salvation, He saved my soul  
And with His grace and mercy He filled this great big hole

I'm born again  
Washed in His blood  
Washed in the blood of the Lamb  
No one can steal, me from His hand  
I'm bought with the blood of the Lamb

I've got this holy fire, Burnin' in Me  
I want to tell everybody what Jesus did for me  
He took me out of bondage, He set me free  
He took me out of the darkness and shined his light on me

# THE LUCKY ONE<sup>©LBOHRMAN-2009</sup>

Twenty-nine, it was the first time we met  
She had a presence that sparkled and shined  
Something about her just welcomed me in  
And I knew we'd be friends for life

Sweet smiles, silly songs, she wrapped up my heart

We talked on into the night

Hugs in the morning and kisses to bed

She made me laugh and she made me cry

CHORUS

She's the lucky one, She's there with Him now

Safe in His loving embrace

She's the lucky one, But I'm here on my own

With just the memory of her face

VERSE

Tattered pages saying, "I'll be home soon"

Sweet tears were falling like rain

Throughout our lives we search for answers and find

That only questions remain

CHORUS

She's the lucky one, and she's locked in His heart

But I'm still livin' here on my own

She's the lucky one, She's there with Him now

With a love like she's never known bridge=instrumental verse repeat 1st chorus

## PRESS ON Paul' s Song (phil 3:12-14)

Not that I have already obtained all of this,  
Or have already been made perfect,  
But I press on to take hold of that  
For which Christ Jesus took hold of me  
Hold of me . . .

Brothers, I do not consider myself yet to have taken,  
Hold of it. But one thing I do:  
Forgetting what is behind  
And straining toward what is ahead  
Is ahead . . . .

I press on toward the goal  
The goal to win the prize  
For which God has called me heavenward  
In Jesus Christ

## Lucy Don't ©CBohrman

The devil doesn't like it when we live for Jesus Christ  
When we walk the straight and narrow with the Savior in your life  
And Satan doesn't like it 'cause it wrecks his evil plan  
When we pray with one another, so that we can make our stand...

Lucy don't, Lucy don't Lucifer don't like it  
Lucy don't, Lucy don't Lucy doesn't like it

Lucifer don't like it when we lift our hands in praise  
So I'm gonna lift my hands and sing to Jesus everyday  
Yes, I'm gonna lift my hands and sing to Jesus everyday

Lucy don't, Lucy don't Lucifer don't like it  
Lucy don't, Lucy don't Lucy doesn't like it

Lucy don't, Lucy don't Lucifer don't like it  
Lucy don't, Lucy don't Lucy doesn't like it  
Lucy don't, Lucy don't Lucifer don't like it  
Lucy don't, Lucy don't Lucy doesn't like it

devil doesn't like it when we lift our hands in praise

So I'm gonna worship Jesus every night and every day

Lucy don't, Lucy don't Lucifer don't like it  
Lucy don't, Lucy don't Lucy doesn't like it  
Lucy don't, Lucy don't Lucifer don't like it  
Lucy don't, Lucy don't Lucy doesn't like it

# THE SPIRIT MOVES<sup>©Lbohrman2006</sup>

I've never seen her face But I know You know her

I've never held her hand But I know you hold her

In Yours, Lord, In Yours,

I've never heard her voice But I know you hear her

We've never met at all But she seems so near

To me, Lord to me

## chorus

And the Spirit moves, That which dwells within me dwells in you.

And the Spirit moves, Though our eyes have never seen

We both have felt Your touch and we both know Your loving heart

You brought our lives together - though we're forever miles apart

Our children will never meet, but they'll be raised together

Love is the common thread, that binds our lives forever

In You, Lord, It's You

## chorus

## bridge

Watch her, Hold her, Keep her

Hear her, meet her, Love her, -Lord

Watch her, Hold her, Keep her

Hear her, meet her, Love her, Love her (because)

# There she goes (A.Pavers used by permission)

There she goes  
There she goes again  
Racing through my brain  
And I just can't contain  
This feeling that remains

There she goes again  
Pulsing through my veins

There she goes again  
Racing through my brain

There she goes again  
She calls my name,  
Pulls my train  
No one else could heal my pain

There she goes again  
Chasing down my lane  
And I just can't contain  
This feeling that remains
